

REALTIME

- Feeds are available for a per-page fee, rates set by the court and determined by number of feeds requested.
- Contact the clerk's office as far in advance as possible to find out who the reporter for your proceeding will be. The reporter will provide counsel with the details and make arrangements to meet with counsel and/or support staff to test all equipment to be used.
- The realtime transcript is a rough draft only and may not be used in any way as an official transcript. Arrangements for an official transcript, if needed, should be made with the court reporter.
